

2018 Miss Asian North America Sponsorship Information

Thank you for taking the time to review the 2018 Miss Asian North America Sponsorship Package. The Miss Asian North America pageant is now a federally approved 501c3 nonprofit organization. As a public benefit corporation run entirely by volunteers, our mission is dedicated to empowering young Asian America women by advocating for them through women empowerment projects, active community participation, and providing scholarship and training programs for them. We depend on the community support to ensure the sustainability of Miss Asian North America pageant in addition to our other service initiatives. The change in our corporate status reflects our desire to expand our reach and deepen our commitment to the community. Miss Asian North America is dedicating a portion of your sponsorship dollars to scholarship awards and your donation will be 100% tax deductible.

HISTORY OF MISS ASIAN NORTH AMERICA PAGEANT:

The Miss Asian North America Pageant was founded in 2013 by Annie Chang Evans as a part of a goal to build a stronger Asian Community in Las Vegas. In the first two years, the pageant was known as the Miss Asian Las Vegas pageant featuring only contestants from Las Vegas. In 2016, we opened the pageant to officially include contestants all across North America including Canada and renamed the pageant, The Miss Asian North America pageant. In 2018, the Miss Asian North America pageant officially runs as a 501c3 non-profit organization dedicated to providing scholarship funds to our contestants.
